## CONSUMABLES (inexpensive brochures & publications) 5/2016, 5/2018

---

11 – 19 years of age

**Discover Entomology** Entomological Society of America (ESA)

Download for free [www.entsoc.org/PDF/resources/education/discover.pdf](http://www.entsoc.org/PDF/resources/education/discover.pdf)

or order online\* [www.entsoc.org](http://www.entsoc.org)

*Discover Entomology* is a 12-page, color brochure that was written for students from grades 6-12.

It explains why insect study is important for agriculture, medicine, forestry, veterinary medicine, human health, criminology, ecology, and other topics.

\* Login required; ESA membership is not. At Main Menu, go to Journals & Publications – Online Bookstore.
